

DEVELOPMENT SECRETARIAT

Examination in the Law and Accounts relating to Municipalities and District Boards.

ORDER No. L. 7487-507—ML. 151-32-15, DATED BANGALORE,
THE 18TH APRIL 1934.

With a view to improve the efficiency of the staff employed in the Municipal and District Board Offices, Government are pleased to direct that an examination be instituted in the Law and Accounts relating to Municipalities and District Boards and that all candidates for appointment or promotion to posts carrying a salary of Rs. 25 and over in Municipal and District Board Offices should be required to pass the examination.

2. The staff working in these offices will be exempt from passing the examination if they have already put in a service of over five years. Other persons in service will be allowed a period of three years to pass the test.

3. The Local Service and Pleaders' Examinations Board, who were consulted in the matter, are agreeable to include this in the list of examinations held by them. Separate orders will be issued regarding the subjects to be studied and other details about the examination.

M. VENKATANARAYANAPPA,
*Secretary to Government,
Development Department.*

ELECTRICAL SECRETARIAT

Revised Schedule of Rates for Power Supply for Industrial Concerns.

READ—

Government Order No. E. D. S. C. 4-11, dated the 12th June 1927, sanctioning reduction of rates for power supply in the case of small industries and installations up to 20 H. P. and under, and directing that the same be brought into effect from bills for June 1927.

2. Correspondence ending with letter No. C. 56, dated the 3rd October 1933, from the Chief Electrical Engineer submitting proposals, for reasons given, for revision of rates for supply of power to industrial concerns.

3. Correspondence ending with U. O. Memo No. 25 of 33-34, dated the 8th January 1934, from the Director of Industries and Commerce in Mysore, offering his views on the revision of rates proposed by the Chief Electrical Engineer referred to above.

ORDER No. E. D. S. 1779-1855, DATED BANGALORE, 16TH APRIL 1934.

In his letter of the 3rd October 1933, the Chief Electrical Engineer reported that rates for supply of power to industrial installations sanctioned in the Government Order of 12th June 1927 referred to in para 1 of the preamble, required revision for the following reasons :—

- (1) The existing schedule has a high rate for power installations between 11 and 50 H. P.
- (2) The minimum fixed for installations above 51 H. P. is rather high.
- (3) There is a very big difference in the rates for installations between 11 and 50 H. P. and for 51 to 100 H. P.
